

St Clement and St James CE Primary School Termly Overview

Year 3

Spring 2026

Class teacher/s: Matthew Mcnamara Support teachers: Nuura

We hope you all had a wonderful holiday and enjoyed time with family and friends. We'd like to wish you all a warm welcome back to school. It has been lovely seeing all our families and the children again.

As always we have much planned for the term ahead, and in line with our LifeFull vision and ethos, this includes academic, emotional and social development. As we seek to develop pupil's sense of character and understanding of the world around them, we will focus on the concepts of 'resilience' and 'self-regulation'. Both of these skills are so important in supporting children to succeed in school and in their wider lives - both now and in their futures. We are also looking forward to the start of sharing assemblies, which are a fantastic opportunity for parents to see what their child has been learning, but also for children to practise public speaking and performance skills. In addition, as part of our courageous advocacy work, we have 'Random Acts of Kindness' planned for February. Finally, 2026 is the National Year of Reading so keep an eye out for initiatives and activities that we will take part in to promote a love of reading.

The following information in the overview will outline what your child is learning about in class, as well as some important dates to note. More detailed curriculum information will also be shared by class teachers through our knowledge organisers so keep an eye out for these over the next few weeks.

Please also remind yourself of our Home School Agreement, available on our [school website](#). This outlines what you can expect from us, and what we expect from the parents/carers and pupils at our schools. Please speak to us if you would like to discuss any part of this.

Important dates for your diary

Spring 1: Monday 5th January - Friday 13th February

- Thursday 22nd January trip to Sir John Soanes Museum
- Wednesday 28th January Trip to the Holland Park Synagogue
- Random Acts of Kindness Week - beginning 2nd February
- North Kensington Library visit - Tuesday 3rd January

We break up for half term on Friday 13th February at 3:30pm and we return on Monday 23rd February.

Spring 2: Monday 23rd February - Friday 27th March at 2pm

Please note that on Friday 20th March there is a staff training day so pupils will not be in school on that date.

- North Kensington Library visit - Tuesday 10th March
- Thursday 19th March Trip to Tate Britain
- INSET, Staff Training Day - Friday 20th March
- Easter Hat Parade - Thursday 26th March at 9:15am
- Easter Service - Thursday 26th March at 2:30pm

As always we will be **'living our Christian values': friendship, forgiveness, compassion, thankfulness.** These values are visited during worship, prayer circles, in the playground, RSHE lessons, our approach to managing behaviour and through stories and conversations.

Inclusive Schools

At LifeFull Schools, we remain committed to our work to become anti-racist organisations. Our anti-racist statement is available on our website: <https://www.stfed.rbkc.sch.uk/anti-racist-schools/> We encourage you to take a look at this statement. In addition, we aim to foster good relationships across all characteristics between people who share a protected characteristic and people who do not share it. One of our chosen equality objectives this year aims to tackle prejudice, and promote understanding between people. We will also be working on an equality objective, which focuses on gender, ensuring that both boys and girls have positive role models. These objectives have been chosen due to national pictures and the challenges our pupils face in society at this time - both on and offline. We look forward to continuing our work at all schools to further embed inclusive practices so foster a sense of belonging for all members of our school communities. Please speak to a member of the school's leadership team if you have ideas or issues you would like to share with regards to this area.

Learning in our class this term

Our curriculum is designed to develop children's character, intellect and curiosity. We have high aspirations for our children and aim to offer them a broad, challenging, engaging and diverse curriculum.

By the time children leave our school they will:

- Be kind, confident, well-mannered, thoughtful members of society who embody our Christian values.
- Speak confidently and in Standard English, with a broad range of vocabulary, in formal situations, for example children should be able to argue a point and greet a visitor .
- Have knowledge of a core set of books and poetry that they can make links to and draw upon.
- Have a broad general knowledge and understanding of the world for example of historical facts, geographical sense of place and religions.
- Understand the cultural and historical influences that have shaped this area of London.
- Be ambitious for their futures, expecting that he or she can follow career paths that take them onto higher education such as university or an apprenticeship.
- Enjoy and appreciate the arts and be able to participate in performances, for example music, poetry, dance and drama.
- Understand their body, how to keep it healthy and enjoy participating in sporting activities.
- Have healthy relationships with an age-appropriate understanding of sex education.
- Be able to keep themselves safe (both online and on the streets) and know how to avoid confrontation and resolve disputes peacefully through restorative approaches.
- Have a love of learning and self-efficacy around studying.
- Be passionate about looking after our world and take active responsibility for making a difference in our world.
- Understand and value the concepts of Global Human Values and contribute positively to our community.
- Respect each other regardless of race, religion, ethnicity, culture, gender, disability and wealth.

- Be courageous advocates for the causes they believe in.
- Be anti-racist and call out injustice.

Below is more information about the subjects we will be covering this term (please also refer to our knowledge organisers on the class page on the school website).

- **Geography:** Volcanoes
- **History:** Growing up in our local area in the 1950's and 60's
- **Religious Education:** Judaism
- **Science:** Forces (magnets)
- **Relationships, sex and health education:** Keeping Safe

Texts we will be reading as a whole class are: Snow Queen by Sara Lowes, Hansel and Gretal by Anthony Browne

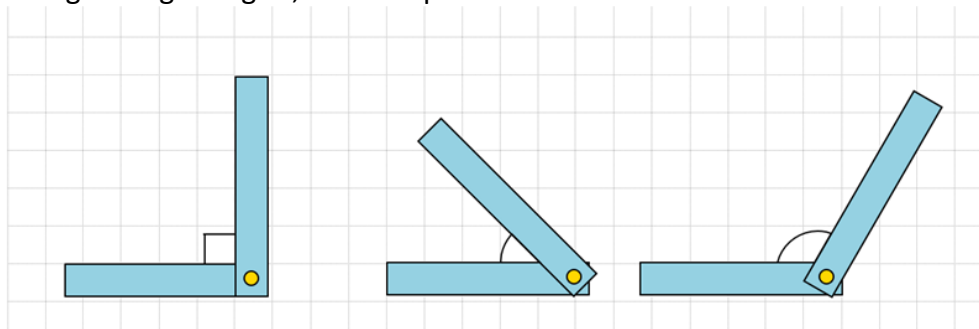

Learning objectives

This half term children in year 3 will be working on the following objectives in the core subjects:

Mathematics

I am learning to:

- Recognise right angles, for example

right angle

smaller than a **right angle**

larger than a **right angle**

- Perform mental calculations

<p style="text-align: center;">Method A</p> $35 + 49 = 30 + 40 + 5 + 9$ $= 70 + 14$ $= 84$	<p style="text-align: center;">Method B</p>
--	---

Method C

	$35 + 49 = 34 + 50 = 84$

- Column addition and subtraction

$\begin{array}{r} 26 \\ + 43 \\ \hline \end{array}$	$\begin{array}{r} 329 \\ + 84 \\ \hline \end{array}$
$\begin{array}{r} 127 \\ + 43 \\ \hline \end{array}$	$\begin{array}{r} 402 \\ + 130 \\ \hline \end{array}$
$\begin{array}{r} 127 \\ + 43 \\ \hline \end{array}$	$\begin{array}{r} 402 \\ + 130 \\ \hline \end{array}$

Reading

I am learning to:

- Infer meaning
- Understand and recognise new vocabulary, for example:
 - *Drawing on what you know about this character already, does his response to (an event) make sense?*
 - *Can the context of (an unfamiliar word) help you to understand what it means?*
- Retrieve information from a non fiction text eg.
 - *What is the text about?*
 - *What type of text is it?*
 - *What are the key points?*

Writing

I am learning to:

- Use fronted adverbials, for example:
 - Early in the morning, the birds sang.*
 - In the dark cave, the dragon slept.*
 - With a loud roar, the lion woke up.*
- Use direct speech, for example:
 - One witness said, "Those boys had been a nuisance all day so I'm not surprised that one of them has gone missing."*
 - Key eyewitnesses stated, "It was a dazzling silver colour. The sides were encrusted with snowflakes that sparkled like diamonds. The sleigh took off with great speed heading towards the mountains."*
- Write in cursive handwriting

Home-learning will include opportunities to practise some of these objectives but if you and your child are not sure what they mean please make an appointment to speak to me before or after school. There will also be an opportunity to discuss our class' learning at our Meet the Teacher meetings.

Home-learning and how parents can help

Children work very hard at school during the day so we want to keep home-learning simple and easy to manage. Parents can be a great help if they talk to their children about their learning and set up a routine every night. Little and often is best. All home learning and knowledge organisers will be sent home as paper copies this year.

Reading

It is vital that children practise their reading at home by being heard by an adult or older sibling. This is just as important for older children who are decoding texts fluently – they may be able to read the words, but they also need opportunities to discuss the meaning of the texts they are reading as often as possible.

Key Stage Two (Years 3-6)

Children take home a book of their choice and a reading diary. Teachers and teaching assistants ensure that the level of the book the child takes home is appropriate and carefully monitor the amount children are reading at home.

Children in KS2 should read for half an hour every day, They can record their reading comments in their reading journal and you should sign and add any more comments to show your child has read to you or another adult/older sibling. **Reading books should be brought into school each morning along with the**

reading journal. We encourage children to read a wide range of authors and text types which they find in everyday life, as well as books.

Mathematics

Rapid Recall Facts

We aim to continue to help children improve their mental skills; essential skills they need in order to be confident mathematicians. **Rapid Recall Facts** are a way to support the development of the mental skills that underpin much of the maths work in schools.

Each half term children will be given one or two sets of Rapid Recall Facts to practise and learn at home as well as in school. It is important that they know these thoroughly and can recall specific facts instantly. Whilst children have a wide range of abilities in mathematics, the rapid recall facts are designed to be a set of facts that need to be learnt thoroughly as they build on each other year on year. Again, we stress that the children must aim to know their rapid recall facts inside out, back to front and with instant recall. **Children should practise these facts every night for about 10 minutes.** Little and often is the key. Each child will be quizzed on the facts during the week to help children retain the information and so teachers monitor their progress.

Spellings

Your child will receive lists of useful words most weeks. These words are linked to the spelling pattern or family taught during that week in school. Children will need to practise these for 5 to 10 minutes each night. Little and often is most effective. In KS2, children will also receive personalised spelling lists to learn, on top of the class lists sent home. Please help your child to learn these word too and ensure their spelling dictionary is in school each day.

Class timings for home-learning

Thursday is the day when you should hand in reading books, reading journals. This is also the day when completed homework should be returned to the class teacher.

Weekly events

Music is on Tuesday afternoon with Mr Tang.

PE is on Wednesday and Friday this term. Children can wear PE uniforms to school on Friday only.

Best wishes,

Matthew McNamara
