

January 2026

Dear Parent/Guardian,

Our team at **IntoUniversity** North Kensington is really looking forward to working with St Clement St James **Year 4**. **IntoUniversity** is an educational organisation which provides local learning centres where young people are inspired to achieve. We are based at the ClementJames Centre near Latimer Road underground station, but also travel into local schools to deliver our programmes.

Year 4 will take part in a 'Careers in Action' workshop at school on **Wednesday 25th February 2026** during normal school hours. This workshop will inspire the children to think about their future education and the world of work. Your child will then continue to work with us in Years 5 and 6.

Please fill out the registration form to give permission for your child to take part in the IntoUniversity Programme. This can be done online by scanning the QR code on the right with your phone camera, or you can request a paper form from your child's teacher. **Please complete the form by Friday 20th February**. Your child may be unable to participate without it.

If you have any questions, please feel free to contact your child's class teacher or **IntoUniversity** on 0207 221 8801.

We very much look forward to working with year 4.

Best wishes,

Iola Elson
